

How to Fundraise for Stomp Out Suicide

1. Go to the [JustGiving](https://www.justgiving.com/campaign/stompoutsuicide2021) website (<https://www.justgiving.com/campaign/stompoutsuicide2021>) and click the orange **Start Fundraising** button to the right of the event information.

Canvas Health Inc.

Stomp Out Suicide 2021

Stomp Out Suicide and Canvas Health invite you to help raise money to support people struggling with crisis situations, mental illness, and substance use. Your fundraising efforts save lives!

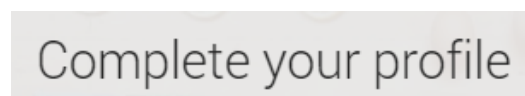

Be a fundraiser
Create your own fundraising page and help support this cause.

2. You will be directed to a Log In or Sign Up page. If you fundraised last year, enter your email and password and skip to **step 4**. If you are new, enter your information, create a password, and click **Sign Up**.

3. The system will ask you to complete your profile. Enter in your address information and click **Continue**.

4. Hooray! Now you are ready to raise money for Stomp Out Suicide. From here, you can choose to fundraise in memory of a loved one, choose your fundraising page address, and contact preferences.

You're raising money for

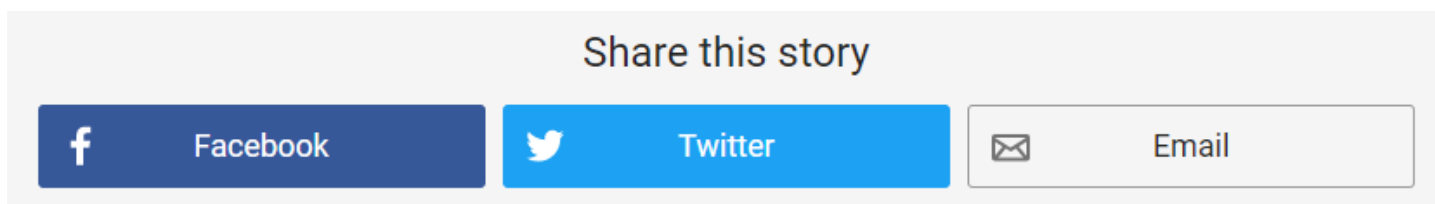

Stomp Out Suicide 2021
run by Canvas Health Inc.

5. Congrats! You officially have a fundraising page! Click the **Edit Your Page** button in the top left to give it some personality. You can share your story about why you are fundraising (**Edit**), add pictures or videos (**Media**) write thank you messages (**Settings**), set a fundraising goal, and/or create a team for others to join (**Settings**)!

6. Last but not least, don't forget to share your page! Once you are finished creating your page, click the **View** tab to return to your page. Post it on social media, email it to friends and family, and post updates for your supporters to see. It's easy!
