**COMMUNITY INVESTMENT**  
Strong mental health care, substance use treatment, and suicide prevention efforts are essential in our community. We're stronger with your support.

**RELATIONSHIP BUILDING**  
Stomp Out Suicide participants are fiercely loyal in their support of each other and of those who step up and take action right alongside them.

**BRAND AWARENESS**  
Not only are Stomp Out Suicide participants willing to learn about your products and services, your presence will become a part of their memories of this event.
